

WEAPONS IN SCHOOL POLICY

I. Guns and Firearms (Students)

Any student who brings or possesses a firearm as defined in section 921 of Title 18 of the United States Code in a safe school zone as defined in RSA 193-D:1 without written authorization from the Executive Director or designee shall be expelled from school by the local school board for a period of not less than 12 months. This expulsion may be modified by the Executive Director upon review of the specific case in accordance with other applicable law.

Pursuant to the provisions of 20 U.S.C. § 7151, Gun-Free Schools Act, the Board requires the Executive Director or designee to contact local law enforcement authorities and/or the Division of Children and Youth Services and notify them of any student who brings a firearm or weapon on school property. Such report shall be made by the principal to the local law enforcement authority immediately, by telephone or otherwise, and shall be followed within 48 hours by a report in writing.

Weapons under control of law enforcement personnel are permitted.

All students will receive written notice of this policy at least once each year.

II. Other Weapons

The term "weapons" includes, but is not limited to, firearms and/or weapons (rifles, pistols, revolvers, pellet guns, BB guns, etc.) knives, slingshots, metallic knuckles, firecrackers, billy clubs, stilettos, switchblade knives, swords, canes, pistol canes, black jacks, daggers, dirk knives, explosives, incendiaries, martial arts weapons, or self-defense weapons (as defined by RSA 159:24 and RSA 159:20 respectively), or any other object or substance which, in the manner it is used or threatened to be used, is known to be capable of producing death or bodily injury.

"Weapon" is further defined as any device, instrument, material or substance, which is used, attempted to be used or threatened to be used is readily capable of causing death or serious physical injury.
