

Board Security Safety Committee Meeting Minutes

March 5th 2024

Attendance: Kevin McDonald, Jason Nero, Bailey Sweet, Barry Tanner, Lori Finn

Introduction to the position of armed security / SRO position

Bailey recapped why we are meeting on security position and discussion on previous meeting regarding what armed security looks like at Lionheart. Bailey expressed that she needed more information regarding the armed security option at LCA. Brief discussion.

Kevin discusses how domestic situations / restraining orders and estranged spouses can present issues at the LCA campus.

Discussion regarding former Board Member offering to fund the position. Recapped Board decision and agreement followed that no donated funds would be permissible to any specific paid position within LCA. Follow up needed to discuss whether donor would still be willing to donate without any restrictions.

Discussion regarding state of LCA with current security

Discussion regarding security grant and what has been done to date. Committee in agreement to request from the Executive Director status to date regarding the grant.

Open discussion about security surveillance and high tech options for LCA and access control as well as ballistic shielding.

Discussion to introduce an independent security evaluation of the LCA building and Campus

In closing action items as follows;

Kevin to follow up with Executive Director at the public Board meeting to request security grant status to date.

Kevin to follow up with Peterborough Police Department regarding SRO vs armed Security

Kevin to follow up on school signs that were scheduled to be installed by the State
